

RECEIVED AUG 23 2011

August 18, 2011

Dear BBB,

I signed up for the BBB Google Adwords program under the Roofing category and I have to say 70% of my business came from this service. I am truly amazed by the results!!!

I believe consumers check out roofers more than ever because of the scams and ripoffs in this area. Being accredited with the BBB says a lot about my business and my reputation.

Thank you so much!

Sincerely,

Jean May
